## Attention:

### **Rescheduled lane restrictions and ramp closures on US 41 tonight**

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region Office in Green Bay is announcing construction crews will try again tonight to switch all US 41 southbound traffic between US 45 and Breezewood Lane to recently expanded northbound lanes (two lanes in each direction). Additionally, the US 41 southbound on-and off-ramps at WIS 76 will be closed for approximately one hour tonight, between 10 p.m. and 2 a.m. Rolling roadblocks will be used to switch traffic. Motorists should expect 11-foot travel lanes and 55 mph speed limit.

The traffic switch and ramp closures had previously been scheduled for the evening of Wednesday, April 13, but were cancelled due to rain.

**All lane restrictions are weather dependant and subject to change.** Motorists should use extreme caution and remain alert when driving through any work zone.
